## RuffScore CARD - Instructions

Use flexible tape measure, cable, wire or string for measurements.

For Quick and Easy Score - Measure to the nearest 1/4 inch.

RuffScore Cards give you a Quick - Easy - Field Score that is close to the "Official" record book scoring.

Each purchase of a RuffScore Tag - allows you to

**SUBMIT YOUR SCORE TO THE RUFFSCORE RECORD BOOK**

Enter your Turkey Sub Species in the first section:

Eastern Wild

Gould's

Osceola

Merriam's

Rio Grande

Turkey scoring combines weight and length measurements into a number score.

Beard Length is doubled for the total score.

Spur Length is multiplied by ten ( x 10 ) for the total score.

On the right side of the card enter total x 2 or total x 10 as shown

- WT Weight is measured in Pound and Ounces - convert ounces to a decimal.
- BL Turkeys will often have multiple beards. Add the length off all beards. Beards Total Length is entered on the left. Multiply by 2 and enter on the right side of the card. (total x 2)

- SL Measure both Left and Right Spurs to the nearest 1/4 inch. Total of the two is entered on the left. Multiply by 10 and enter on the right side of the card. (total x 10)

Add three scores on the right side of the card for the Total Score.
