## RuffScore CARD - Instructions

Use flexible tape measure, cable, wire or string for measurements. For Quick and Easy Score - Measure to the nearest 1/2 inch.

RuffScore Cards give you a Quick - Easy - Field Score that is close to the "Official" record book complex scoring.

Each purchase of a RuffScore Tag - allows you to

**SUBMIT YOUR SCORE TO THE RUFFSCORE RECORD BOOK**

Left side of card has boxes for Left and Right side measurements.

Right side is for Net Score. Enter L+R Total or smaller x 2 as shown.

Entering 2x smaller measurement is a quicker way to the Net Score.

TP Count total points - (exclude Brow). Points must be 1/2" long or more.

BP Count all points on just the Brows. Add the total for Net Score.

MB Main Beam length is along the outer edge from Burr to tip.

PL Brow Palm (1st Point) is measured over outer curve to top of Beam.

BL Bez (Second Point) is measured over outer curve to top of Beam.

RP Rear Point Length is measured over outer curve to top of Beam.

2T Add length of 2 Longest Top Points, from tip to bottom of Beam.

WP Width of Brow Palm is measured with a line perpendicular to length.

WT Width of Top Palm is measured from bottom of beam to a dip between points at the widest part of the Top Palm.

CB "Official" scoring measures four circumferences on each side.

**A piece of string is best way to get a quick total for all four.**

Add all 4 of these measurements between: Brow and Bez,

Bez and Rear Point, Rear Point and Top, Two Top Points

IS Inside Spread has to be at a right angle to the skull center line.

Cannot be diagonal. Length is limited to longest Main Beam.
